KLARNAPII-23: Verify order level promotion is applied in Klarna's system and BM

KLARNAPII-24: Verify shipping level promotion is applied in Klarna's system and BM

KLARNAPII-43: Verify Gift Certificate

KLARNAPII-180: Verify all settings

KLARNAPII-181: Place orders with different products

KLARNAPII-182: Verify "Virtual Card Network Enabled" setting

KLARNAPII-183: Select shipping method in Cart page

1.Test Suite : Klarna Salesforce Checkout Cartridge

Test Case KLARNAPII-1: Verify product in Klarna Checkout page [Version : 1]		
Author:	user	
<u>Summary:</u> Verify that the data of product added in Cart is corresponding with the data in Klarna Checkout page.		
<u>Preconditions:</u> None.		
#:	<u>Step actions:</u>	<u>Expected Results:</u>
1	Launch Storefront and access the Home page.	Storefront is launched and the Home page should be displayed.
2	Add one or more products to the Cart.	Products are successfully added to the Cart.
3	Click on "View Cart" icon in the header.	"Cart" page is successfully displayed.
4	Click on "Klarna Checkout" link.	"Klarna Checkout" page is successfully displayed.
5	Verify that all information for the product is the same for Klarna product data and DW product data.	All information for the product is the same for Klarna product data and DW product data.
<u>Execution type:</u>	Manual	
<u>Estimated exec. duration (min):</u>		
<u>Importance:</u>	Medium	
<u>Requirements</u>	None	
<u>Keywords:</u>	None	

Test Case KLARNAPII-2: Verify coupon code is applied in Klarna Checkout page [Version : 1]		
<u>Author:</u>	user	
<u>Last edit by:</u>	Vladislav	
<u>Summary:</u>		
Verify that the data of applied coupon code in Cart is corresponding with the data in Klarna Checkout page.		
<u>Preconditions:</u>		
Enabled coupon code is set in BM.		
<u>#:</u>	<u>Step actions:</u>	<u>Expected Results:</u>
1	Launch Storefront and access the Home page.	Storefront is launched and the Home page should be displayed.
2	Add one or more products to the Cart.	Products are successfully added to the Cart.
3	Click on "View Cart" icon in the header.	"Cart" page is successfully displayed.

4	Fill in "Enter coupon code" field a valid coupon code.	Valid coupon code is successfully entered.
5	Click on "Apply" button.	Coupon code is successfully applied.
